The License shall terminate upon any default by User of any provision of this License Agreement. User acquires only the right to use the Licensed Materials and Licensor shall retain all right, title, and interest, including without limitation all intellectual property rights, in and to the Licensed Materials. User shall not copy, modify, rent, lease, license, reverse engineer, or create derivative works of the Licensed Materials. User shall have the limited right to transfer or sell the Licensed Materials and the License to use said Licensed Materials granted herein, to third parties, but any and all such transfers or sales shall be specifically subject to the terms of this Agreement and the License granted herein, including but not limited to the limitations of paragraph two (2) hereunder. Third parties that obtain the Licensed Materials from User through the above-referenced limited right of transfer and sale of the User, shall likewise have the limited right to transfer or sell the Licensed Materials and the License to use said Licensed Materials granted herein, to subsequent third parties, but any and all such transfers or sales shall be specifically subject to the terms of this Agreement and the License granted herein, including but not limited to the limitations of paragraph two (2) hereunder. **Any third party that obtains the Licensed Materials from the undersigned, or from any person or entity other than Licensor, shall be specifically subject to the terms of this Agreement and the License granted herein, and shall have no right to use the Licensed Materials in violation of the terms of this Agreement and the License granted herein. Licensor reserves the right to prevent any and all use of the Licensed Materials in violation of the terms of this Agreement and the License granted herein.**
- (2) User, and any third party that may obtain the Licensed Materials from the undersigned, or from any person or entity other than Licensor, shall have no right to utilize the Licensed Materials for any educational or other purpose, including but not limited to use in any other schools or educational establishment of the undersigned, in Pensacola, Florida, or the immediate surrounding areas of Escambia County, Florida, and Santa Rosa County, Florida.
- (3) In consideration of the rights granted herein, the undersigned shall pay to Licensor a nonrefundable license fee for each item ordered from Licensor, with said license fee due corresponding to the itemized price list included as part of the order form of which this License Agreement and its terms are a part.
- (4) It is understood specifically that the Licensed Materials are available to User, and to any subsequent third party that may obtain the Licensed Materials through the limited right of transfer and sale referenced in paragraph one (1) hereunder, on a licensed basis, and that all use of the Licensed Materials by the User or subsequent third party shall be in accordance with the terms of this License Agreement.

The undersigned hereby acknowledges it will not remove any copyright or other proprietary rights notices contained in the Licensed Materials or any related materials provided to undersigned pursuant to the order form of which this License Agreement is a part. No rights in the Licensed Materials are granted to the undersigned except the limited license contained in this Agreement. Any right, title or interest

arising in any compilation or derivative work created using the Licensed Materials shall not entitle the undersigned to use the Licensed Materials except as specifically permitted hereunder. User shall indemnify, defend and hold Licensor harmless from and against all claims, liability, damages, costs and expenses, including reasonable legal fees and expenses, arising out of or related to (i) a breach of this Agreement, (ii) the use or modification of any of the Licensed Materials or combination of any of the Licensed Materials with any other material, (iii) User's failure to abide by any restriction regarding the use of the Licensed Materials.
